

“Wee Play & Learn”

Crossing Cooperative Nursery School is pleased to announce

Registration for our “Wee Play & Learn” Program!

“Wee Play & Learn” is an exclusive CCNS program for children who will be 2 years on or before September 1st. Alongside a parent (or other caregiver), children will have the opportunity to participate in an array of preschool experiences including center time, dramatic play, crafts, creative movement, circle time, outdoor play (weather permitting), and story time. It's a wonderful opportunity to share the fun and excitement of your child's first school experience.

Under the direction of a qualified, experienced teacher, parent and child will enjoy a weekly theme designed to support the activities that day. In addition, children will enjoy participating in broader themes celebrated throughout CCNS -- holiday events, "We Love to Read" month, Good Health and Nutrition, Fire Safety Week, and more. This nurturing, loving environment is conducive to making special new friends and is a great way to get to know our school, teachers and programs.

Classes will meet every Tuesday or Thursday for 1½ hours, from 12:30-2:00 and Friday for 1½ hours, from 9:15-10:45. The program runs from September through May, and is limited to 10 children per class. The tuition for this class is \$320.00 paid bi-annually for a total of \$640.00 per year. Due to the participatory nature of our program, please note that younger or older siblings are not permitted to attend.

Children in this program do not have to be toilet trained. All participants will receive **priority in January** over new families in registering for our regular classes the following school year.

To enroll, please complete the attached Registration Form and return it with a \$50.00 NON-REFUNDABLE application fee (made payable to CCNS). The form and fee may be brought to the CCNS office or mailed to:
