

“Kindergarten Enrichment”

Crossing Cooperative Nursery School is pleased to announce registration for our Kindergarten Enrichment Program!

The CCNS Kindergarten Enrichment program is designed for children who attend an AM Kindergarten program. Under the direction of a degreed lead teacher and assistant teacher, the Kindergarten Enrichment curriculum is designed to enrich your child’s kindergarten experience. Based on themes generated by the class, the children will extend their love of learning here at CCNS in the following academic areas: Language Arts/Literacy, Math, Social Studies, Science, Gross Motor, Music, and Art. In addition, there will be plenty of opportunity to explore our indoor play areas, playground and nature trail (weather permitting, of course!), meeting new friends, and participating in broader themes celebrated throughout the school. It’s an afternoon children will cherish in our nurturing environment.

One Class will meet every **Monday, Wednesday, and Thursday** from 12:45pm to 3:15pm or 12:00pm to 3:15pm with the lunch option, and the second class on every **Tuesday, Wednesday, and Thursday** from 12:45pm to 3:15pm or 12:00pm to 3:15pm with the lunch option. The program runs from late September through May. Children must be 5 years old by September 1 to attend this class. The tuition is \$305.00 per month for the first option of Kindergarten Enrichment class only. The tuition is \$370.00 per month for children who will be transported by bus directly to CCNS from their elementary school and attend lunch.

As a participant in Kindergarten Enrichment, your family will receive priority enrollment over new families to CCNS during the registration process for future school years, should you be interested in other classes our school offers.

To enroll, please complete a Registration Form and return it with a \$50.00 NON-REFUNDABLE* application fee (made payable to CCNS). The form and fee may be brought to the CCNS office or mailed to:
