

# Kindergarten Enrichment

---

**Crossing Cooperative Nursery School is pleased to announce registration for our 2024-2025 Kindergarten Enrichment Program!**

The CCNS Kindergarten Enrichment program is designed for children who attend an AM Kindergarten program. Under the direction of a degreed lead teacher and assistant teacher, the Kindergarten Enrichment curriculum is designed to enrich your child's kindergarten experience. Based on themes generated by the class, the children will extend their love of learning here at CCNS in the following academic areas: Language Arts/Literacy, Math, Social Studies, Science, Gross Motor, Music, and Art. In addition, there will be plenty of opportunity to explore our indoor play areas, playground and nature trail, meeting new friends, and participating in broader themes celebrated throughout the school. It's an afternoon children will cherish in our nurturing environment.

The CCNS Kindergarten Enrichment programs run from mid-September through May. Children must be 5 years old by September 1 to attend. Children will be transported by bus directly to CCNS from their elementary school (SFE, NES & Wrightstown) and enjoy their lunch (brought from home) together upon arrival. The CCNS KE program has two offerings for the 2024-2025 school year:

KE 4 day – (limited to 16 students): Monday through Thursday. 12PM-3:15PM. Tuition is \$550/month or \$4950/year

KE 3 day – (limited to 12 students): Tuesday, Wednesday & Thursday. 12PM-3:15PM. Tuition is \$420/month or \$2780/year

KE families will receive priority enrollment over new and alumni families to CCNS during the registration process for future school years.

To enroll, please complete the Google Registration and \$50 Non-Refundable application fee online through our website under **Forms & Payment**. The fee may also be paid by check and mailed to:

Crossing Cooperative Nursery School
