

Parking and Drop off/Pick up at CCNS

(Please keep this in a convenient location for reference during the year)

Rules and Regulations:

Please refer to these rules and regulations for guidance and ease in dropping off and picking up your child.

1. Always remember to pull in and out at a slow pace and use caution.
2. Enter parking lot through designated driveway and follow all traffic signs and arrows. The drive is one-way traffic only!
3. Use designated walkways.
4. Please turn your car off, and do not leave children unattended.
5. Be sure to escort your child to the building entrance and wait until a staff member welcomes your child into the building. Once inside your child will be led to their respective classrooms.

Vehicles may park in any areas that are unrestricted. The **Restricted Parking Areas** include fire lanes, pedestrian walkways, and all parking along General Sullivan Road. Please do not park in front of or behind the CCNS street mailbox.

All grassy areas are restricted and vehicles should NOT be parked there unless there is prior authorization.

Assigned Parking:

The 6 spaces on the shorter, left side of the parking lot have been reserved for **staff**.

There is 1 space in the lot designated and reserved for our annual **CCNS Auction Winner**.

The remaining spaces in the lot and circle are reserved for our families. Please do not park in the circle if you plan on staying longer than 15 minutes. The circle is a **temporary** parking area reserved strictly for drop off and pick up.

Thank you in advance for your cooperation with parking and safety, we appreciate it!
