Dear Parents/Guardians:

As you may know, Crossing Cooperative Nursery School's public relations activities frequently involve the photographing or videotaping of student activities for inclusion in newsletters, press releases and newspaper articles which are distributed either via paper methods or electronically. Photos also may be used on the CCNS website and/or CCNS social media pages. While those children whose images are used on the website will not be identified, the site is accessible by the public.

ONLY COMPLETE THIS FORM IF, you choose NOT to have your child's image reproduced for use by our publicity and newsletter committees. Please complete the bottom of this form by checking appropriate response and return it to the office.

Any questions can be addressed to Administration in the office at 215-493-2535.

PUBLICITY EXCLUSION FORM

- I **do not** want my child photographed or videotaped for Crossing Cooperative Nursery School's external public relations activities including but not limited to the website, social media pages, press releases, and local newspaper articles. I, **DO**, however give permission for my child to be included in internal communications such as, teacher class emails and/or school newsletters.
